

Our New Digs!

On June 1st, VSA Vermont moved into its cheerful and bright new space in Essex Junction! What a day! We want to share a few lovely photos.

At top right is our community meeting space! Below is a picture of Hadley Priebe, VSA VT Intern, at her desk in the new office's common area. Next is a picture of Marguerite Adelman, Development Director, in the office that she shares with Heidi Pfau, Volunteer and Adult Program Coordinator. Finally, you'll see a picture taken in Executive Director Judy Chalmer's new office.

We are still settling in, but want to remind you of our new address and phone number:
