

FEBRUARY 2019

**The State Organization  
on Arts and Disability**

*VSA Vermont uses the magic of the arts to engage the capabilities and enhance the confidence of children and adults with disabilities.*

Last month I shared with you [VSA Vermont's 2019 – 2021 Strategic Plan](#), which will guide the work of the organization for the next three years. **Within that plan is a goal to rename and rebrand VSA Vermont.** For the past 32 years we have gone by variations of Very Special Arts or VSA, and as the organization continues to grow and evolve the time has come to have an identity that more accurately reflects our mission and work.

**We want your help designing the new logo and choosing a new name. Please fill out [this brief survey](#) to share your thoughts and comments.** The survey will

remain open through Friday, February 15. Our new name and logo will be revealed at an event in early June.

If you prefer to fill out the survey in an alternative format, please contact me at [katie@vsavt.org](mailto:katie@vsavt.org) or by calling 802-871-5002. Word document, PDF, and phone assistance are available.

Thank you for your ongoing support during this time of transition and growth for VSA Vermont. I am so excited for this next chapter, and all of the adventures that await!
